OXFAM

HOW IS OXFAM WORKING WITH LOCAL PARTNERS TO REDUCE CEFM IN ASIA?

- » **SUPPORTING** women and girls who experienced violence
- » **PROVIDING** leadership and livelihood training to women and girls
- » **PARTNERING** with religious and community leaders, lawmakers, men and boys to raise awareness of the impact of CEFM and VAWG
- » **ADVOCATING** for stronger laws where required, or the full implementation/enforcement of existing laws

CREATING SPACES is an Oxfam Canada flagship project that works with local partners to take action to reduce violence against women and girls, including child, early and forced marriage in six countries: Bangladesh, India, Indonesia, Nepal, Pakistan, and the Philippines.
